

We are in the process of applying for a major grant through the Lilly Endowment to continue to develop a Comprehensive Counseling Program from K-12 in the VCSC and would really appreciate it if you would take a few minutes to provide us feedback about your perceptions of the Counseling Services. We are attempting to solicit information from staff, parents and students. The cut off for the survey is **March 8, 2017** to allow time for the outside consultant to process all the information they receive regarding the program.

If you have any questions about the survey please let me know and have a great week as we move into the month of March.

Here is the survey link: https://www.surveymonkey.com/r/IYI_Lilly_Counseling_2017

Please send this week and have completed by March 8th.
